

§ 3505.50

(1) The method of exploration and types of equipment you will use;

(2) The measures you will take to prevent or control fire, soil erosion, pollution of surface and ground water, pollution of air, damage to fish and wildlife or their habitat, damage to other natural resources, and hazards to public health and safety, including specific actions necessary to meet all applicable laws and regulations;

(3) The method for plugging drill holes; and

(4) The measures you will take to reclaim the land, including:

(i) A reclamation schedule;

(ii) The method of grading, backfilling, soil stabilization, compacting and contouring;

(iii) The method of soil preparation and fertilizer application;

(iv) The type and mixture of shrubs, trees, grasses, forbs or other vegetation you will plant; and

(v) The method of planting, including approximate quantity and spacing;

(d) The estimated timetable for each phase of the work and for final completion of the program;

(e) Suitable topographic maps or aerial photographs showing existing bodies of surface water, topographic, cultural and drainage features, and the proposed location of drill holes, trenches and roads; and

(f) Any other data which BLM may require.

§ 3505.50 How will I know if BLM has approved or rejected my application?

(a) BLM will review your application to determine compliance with land use plans, environmental requirements, unsuitability criteria and whether the lands are within a known leasing area. BLM's decision whether to approve your application is at BLM's complete discretion. If we approve your application, we will issue your permit. If we reject your application, we will mail you a written decision. This notice will:

(1) Detail the reasons why we rejected your application;

(2) Identify any items you will need to correct in your application; and

(3) Tell you how you may appeal an adverse decision.

43 CFR Ch. II (10–1–08 Edition)

(b) If we do not accept your application, we will refund your rental payment. We will retain any fees already paid for processing the application.

PROSPECTING PERMIT TERMS AND CONDITIONS

§ 3505.55 What are my obligations to BLM under an approved prospecting permit?

You must:

(a) Pay your annual rental in a timely fashion. See §§ 3504.15 and 3504.16 of this part;

(b) Comply with all permit terms and stipulations the surface management agency attached to the permit;

(c) Conduct only those exploration activities approved as part of your existing exploration plan; and

(d) Discontinue activities following expiration of the initial term unless and until BLM extends your permit.

§ 3505.60 How long is my prospecting permit in effect?

Your prospecting permit will be effective for an initial term of 2 years.

§ 3505.61 May BLM extend the term of my prospecting permit?

We may extend prospecting permits for phosphate and hardrock minerals for up to an additional 4 years, and for potassium and gilsonite for up to an additional 2 years. We cannot extend sodium and sulphur prospecting permits.

§ 3505.62 Under what conditions will BLM extend my prospecting permit?

You must prove that:

(a) You explored with reasonable diligence and were unable to determine the existence and workability of a valuable deposit covered by the permit. Reasonable diligence means that, in BLM's opinion, you drilled a sufficient number of holes or performed other comparable prospecting to explore the permit area within the time allowed; or

(b) Your failure to perform diligent prospecting activities was due to conditions beyond your control.
